ACCESS ISA COURSES

The ISA offer a wide range of training courses which are now available to you and your registered staff members. Follow the instructions below to see what courses are available, and to register for individual courses.

Remember, if you want any of your team to complete ISA Courses, you will need to add them to your company profile.

STEP 1: LOG IN

- Log in to the ISA portal and [follow this link to go to the ASGA landing page](#)
- Select '**Access My Education**' (see diagram to the right)

STEP 2: NAVIGATE TO THE ASGA SECTION

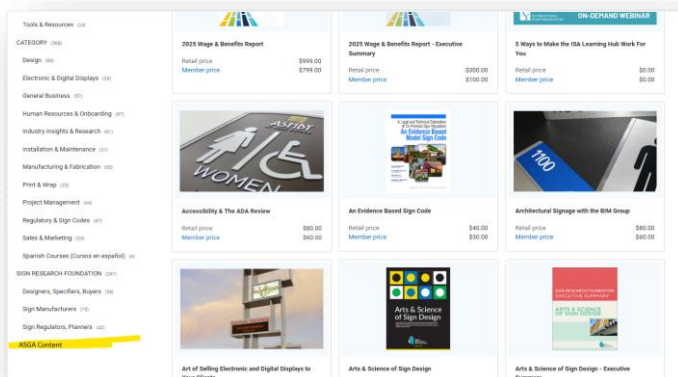

While all courses you find on this page will be available to you, some are targeted at a US audience, and may not be appropriate for businesses in our region. The ASGA has viewed many of the courses on the ISA website, and has curated and updated the ones which are suitable for our Members.

To get to these courses:

- Look at the left-hand side menu
- Scroll to the bottom and select **ASGA**
- The ASGA list of courses will be displayed for your selection

You can select courses from this list, and purchase them at special ASGA prices.

Please see the next page for details.
